OBITUARY

Once more the master stretched forth his hand and called one of his loved ones from this world of tribulation and care to that haven of rest where parting is never known.

In the early hours of the morning Friday, January 30, at 2:15, the master led Mrs. J. L. Harvey through the "Valley of the Shadow of Death." She was not afraid for the Master said "I go to prepare a place for you—I will come again—That where I and you may be also."

Nell Nelson was born in Rogers, Ark., from where she moved to Monett where she spent her girlhood days and graduated from the Monett High school in the spring of 1908. In the summer she was married to J. L. Harvey. To this happy union one son was born, Frank Lee, January 19, 1914 who was the sunshine of their home. She was an inseparable companion to her husband and a kind and loving mother, and had a good word and pleasant smile for all, and as death comes we must say "Death where is thy sting, Grave where is thy victory."

FOR THE CHILDREN

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effectual in curing their coughs and colds. Long experience has shown that Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and restoring nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists.

PERIODIC BILIOUS ATTACKS

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat then take two of Chamberlain's Tablets the attack may be avoided.

SPRING MILLINERY

The spring millinery has arrived at the Fifth street Quality Millinery Shop and is being shown. The hats are beautiful this year, and the street and tailored hats and the dainty afternoon hats we are showing are in all the newest shades, wood, Russett, new blue and watermelon pink, and are wonderful creations. They are now on display and you are invited to the shop to try them on and select your hat while we have a complete line. Mrs. Rose Miller. 89tf

CHRONIC CONSTIPATION

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets afford a gentle movement of the bowels that you hardly realize has been produced by a medicine and their use is not so likely to be followed by constipation.

The Fiftieth Anniversary

Just fifty years ago this winter Dr. Pierce gave to the world his famous "Favorite Prescription" for the distressing weaknesses and complaints of women. For many years he had been in the active

practice of medicine and his specialty was the diseases of women. Later he desired to give this to the public, and he received a trade-mark protection from the United States patent office for this medicine which is an herbal, "temperance" prescription with all the ingredients printed on the bottle wrapper. In his every day practice in the early days he also used a tonic and alterative for the blood, which was so universally beneficial that he determined to place this medicine in the drug stores of the United States, where it could be readily procured by the public. This he called his "Golden Medical Discovery," which he had prescribed many years for the stomach, liver and blood. Both these medicines met with instant success, and during the past half century have sold in greater quantities than any other proprietary medicines. Neither of Dr. Pierce's medicines contains alcohol and both are herbal extracts of native medicinal plants. For the past fifty years forty-eight million bottles have been used by the American public, and they are today the standard tonics for men and women. They are now put up in tablet as well as liquid form, and sold by every druggist in the land. A trial package can be obtained by sending 10 cents to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y. Write Dr. Pierce if you want free confidential medical advice, or a free booklet on any chronic disease.
